Check Policy: When you send a check as payment, you authorize ICA to convert the check into a one-time Electronic Funds Transfer (EFT). This will automatically debit the check amount from your bank account—please note that this may occur as soon as the same day we receive your payment. Also, because of EFT you will not receive a paper copy of your cancelled check from your bank. Any Check returned due to insufficient or uncollected funds will be charged an additional \$20.00 service fee which may be debited electronically from your account and orders will be cancelled if payment is not collected. The International Canine Association is not responsible for overdraft charges.
